WHERE TO

FIND REAL

Remote Jobs

A Guide for Beginners

24% of Employed People Work from Home. You Can Too!

It used to be a near impossible feat to find a work from home job.

Today, you can have your pick of remote work from part-time freelancing to a full-time jobs (and everything in between).

And, no matter your skills or background, chances are, there's a remote job perfect for you.

But, when you're just starting your journey, you may not know where to start.

That's okay. I created this ebooklet to show you where to find real remote jobs, no matter what type of career you're looking for.

Benefits of Remote Work

Time Saved

The average commute is 25 minutes – each way. When you work remotely, you immediately get that time back. What will you do with an extra 50 minutes, 5 days a week?

Money Saved

No commute = no gas! That alone can save a pretty penny every month. Factor in no lunches out or business wardrobe, and you can save thousands each year.

Happiness Factor

Maybe it's coworker cats or sitting in yoga pants all day, whatever it is, remote workers are some of the happiest workers around. You too can up your happiness factor by simply working from home.

Indeed Jobs

Chances are, you're already familiar with Indeed. After all, it is the world's largest job search engine.

If it's a new platform for you, that's okay too. Indeed is super easy to use and a huge time-saver when it comes to searching for work from home jobs.

You see, Indeed does all the hard work for you! As a job search engine, it 'crawls' the depths of the Internet to bring all jobs leads together in one convenient location.

And with various filters, you can narrow down your job search to freelance, work from home, contractor – whatever you're looking for.

Go ahead and give it a try:

See? Hundreds of work from home jobs at your fingertips. It doesn't get much easier than that!

Helpful Hints

From the Indeed homepage, try searching for "remote" and "work from home" in both the 'what' and 'where' boxes as pictured below.

what	where	Find Jobs
<input type="text"/>	<input type="text" value="remote"/>	<small>Advanced Job Search</small>
<small>job title, keywords or company name</small>	<small>city, state or zip code</small>	

Save even more time by creating a 'job alert.' Then, once a day, you'll get an email digest of the latest remote and home-based jobs delivered directly to your inbox.
